## Quiltmagine Basics – *A Must Have Class for New Owners*

---

**Friday, November 8, 9:00 am – 5 pm (\$150)**

Entry level class for those who have just purchased QM or had it several months and are not confident in using QM.

Topics:

1. Getting ready to use QM, calibration, setting up files, Import, Tool Box, and Repair feature
2. Stitching beautiful blocks
3. Stitching beautiful pantos
4. What happens when the lights go out???

**Bring to class:** QM tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

## Customizing with QM

---

**Saturday, November 9, 9:00 am – 5 pm (\$150 if first class or \$125 if the second class)**

The content in this class assumes that you have had QM for a while and know how to place and stitch blocks and pantos. If you are new to Quiltmagine, please sign up for QM Basics on November 8, 8:30-4:30.

Topics:

1. Customizing block patterns and placing difficult or odd shaped patterns, such as Dream Big, quick buttons, Marking Tool and Fabric Compensation
2. Multi-point –uses for design and customizing, plus easy sashing ideas
3. Customizing and creating unique pantographs, plus tutorial on Optimize
4. Gold feature: Borders and Corners (awesome, a huge time saver, and a lot of fun)

**Bring to class:** QM tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

## Evening Playtime with PatternCad

---

**Saturday evening, November 9, 6:00 pm - 9:00 pm (\$40)**

PatternCad is a powerful portion of Quiltmagine. Totally hands-on, we will play with the features, learn how to edit and manipulate patterns, and even create your own patterns using the editing buttons and additional features. After creating a basting line, you will learn how to design a feathered wreath, combine five patterns together for a block placement and stitch as one pattern, as well as try some of the built-in features to easily create other types of fun patterns.

**Bring to class:** QM tablet and charging cord, notebook/pencil. QM should be updated to the Pro tier (it is free to update).

## Quiltmagine – Going Beyond . . . .

---

**Sunday, November 10, 9:00 am – 5 pm (\$150 if first class or \$125 if the second or third class)**

Quiltmagine has many, many features designed to let your creativity go – *way beyond!* Want to layout a whole quilt top? Yes it can. Want to create a corner pattern for a corner/border combination? Yes it can. Want to split a side border to stitch in chunks? Yes it can. Want to create your own borders? Yes it can. Want to write words on the quilt? Yes it can.

Join us to learn the basics of these topics. The more you learn about Quiltmagine, the more fun you will have letting your imagination go and your creativity soar.

Topics:

- QuiltCad – has many, many features for designing
- Let your imagination go creating unique borders and sashings with Pantograph, and Pattern Sizer
- Corner Maker – make your own corners to go with a border
- Virtual Longarm – yes, split patterns too big to sew in the safe area
- Fonts – more fun!!!

**Bring to class:** IQ tablet and charging cord. QM should be updated to the Pro tier (it is free to update).
