Quiltmagine Basics – Pre-workshop

Monday, September 23, 8:30 – 4:30 (\$150)

Entry level class for those who have just purchased QM or had it several months and are not confident in using QM.

Topics:

1. Calibration, getting ready to use QM, setting up files, importing files, repair feature
2. Blocks and triangles, placing and using settings for a custom look
3. Panto setup using QM PRO, sizing, reduce gap, optimization, stitching and advancing the quilt.

Bring to class: QM tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

Quiltmagine - Day 1

Tuesday, September 24 , 8:30 – 4:30 (\$150 if first class or \$125 if the second class)

Customizing with QM

The content in this class assumes that you have had QM for a while and know how to place and stitch blocks and pantos. If you are new to Quiltmagine, please sign up for QM Basics on September 23, 8:30 – 4:30

Topics:

1. Customizing and placing difficult or odd shaped patterns, such as Dream Big
2. More with multi-point creating unique sashings
3. Customizing using Pantograph to create unique pantos and borders

Bring to class: QM tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

Quiltmagine - Day 2

Wednesday, September 25, 8:30 – 4:30 (\$150 if first class or \$125 if the second or third class)

Morning: Play with PatternCad

- a. PatternCad is a powerful portion of Quiltmagine that allows you to edit patterns, combine several patterns together for easier stitching, and to create your own patterns using the editing buttons and additional features.

Afternoon: Play with QuiltCad

- b. QuiltCad has many features that allow you to design quilt tops, audition patterns and pattern combination, as well as features for creating editing and manipulate patterns.

Bring to class: IQ tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

Workshop Teacher: Joyce Blowers, Nolting Dealer since 2009, author of “Guide to Quilting with Your Nolting,” producer of QM videos and tutorials, administrator of FB Group: Quiltmagine Computerized Quilters

Workshop dates/times: September 23, 24, and 25, 2019, 8:30am to 4:30pm (lunch on your own)

Workshop location: Delightful Quilting & Sewing Studio,
5378 Lake Rd
Avon, NY 14414
585-226-2577
www.delightful-qs.com

How Class Works: QM will be projected (easy to see what is going on), hands-on your own tablet following along with each procedure, able to save your projects to use later. A quilt will be loaded on the frame to stitch out some of what is learned in class. Please come with questions and a show and tell you would like to share or have questions on.
